If you have an **injured stray**, many of the emergency clinics/hospitals will assist with getting it to the **ASPCA/HUMANE SOCIETY**.
(Some may only take injured animals after the Humane Society closes.)

Found a **lost dog or cat**? Any emergency clinic or any vet will scan for a microchip!

This information is provided by Friends for Life Animal Rescue, and is current and accurate to the best of our knowledge. It is meant to be used as an informational tool on groups and services available throughout Arizona
